Presentation

13:30 / Fireside Chat: Digital Assets – A new category of personal property?

OVERVIEW

- Join us for a one-to-one conversation with Professor Sarah Green, Law Commissioner for Common and Commercial Law at the Law Commission of England and Wales from 2020 to 2024. Sarah’s work at the Law Commission led to the introduction of a landmark Bill, that is hoped will help pave the way to scale digital assets markets by providing legal certainty on their status as personal property. The conversation will cover a (brief!) history of personal property law, explore why digital assets did not fit neatly into the existing framework, and examine the potential opportunities that the new Bill may provide.
